

## Active RFid Active radio-frequency identification

## 433MHz Antenna

## Ref ACIOM50

- Remote 433 MHz RFID Antenna
- Omni directional 360°
- Ground Plane
- Magnetic Base
- Articulation Angle +/- 90°
- Waterproof

Electrical Data	
Omni directional	360 °
SWR (standing wave ratio)	< 1,2
Frequency	433 MHz
Gain	+3,5 dBi
Impedance	50 Ω
Polarisation	Vertical
Mechanical Data	
Coaxial cable with Male BNC connector	4 meters
Magnetic base with plastic protective sheet Ø94mm	Black
Height	52 cm
Indoor and Outdoor applications	Waterproof
Articulated arm with locking butterfly screw	180°
